Daniel Kahneman (Nobel Laureate):

"There is a difference between being happy in your life to being happy with your life."

The real issue:

2 Corinthians 10:3-7 The scripture says, "...pulling down of strong holds casting down imaginations and every high thing that exalts itself against the knowledge of God..." In another way of expressing the Greek text you could say, "...demolishing **the fortress of thoughts** and every high elevating over [putting down] the knowledge of God..." *Imaginations or thoughts* is translated for the Greek word, "logismos". (Some translations say it is "arguments", but that actually would be a different Greek word, dialogismos [discussion of thoughts] or logomachias [thoughts that dispute or war against]). *Imaginations or thoughts* is a better translation.

Consider the concept of imaginations or thoughts. Your imaginations and emotions are the battleground. This IS the spiritual world; this IS where ALL reality abides. Not some, but all.

Principles of Creative Power

1) **Your thoughts are the key to reality. (John 5:5-9; Matthew 9:20-22)**

- a) *"The imagination is man's power over nature." - Wallace Stevens*
- b) *"Imagination is the beginning of creation. You imagine what you desire, you will what you imagine and at last you create what you will." - George Bernard Shaw*

2) **You're a co-creator with God. (Genesis 2:19; Matthew 17:20-21)**

- a) From the very beginning God's intention was for you to be part of the creative process. Absolutely nothing has changed!

3) **Harmony of Body, Mind and Spirit. (Genesis 11:5-6)**

- a) *"The end of the act is in the initial thought." - Rabbi Yehuda Ashlag*
- b) When your actions match your words, and your words match your emotions and your emotions match your thoughts (the imaginations of your mind), nothing will be impossible to you and all things in the physical universe will do whatever it has to, to bring the imagination of your mind into reality.
- c) *"Every man is what he is, because of the DOMINATING THOUGHTS which he permits to occupy his mind. Thoughts which a man deliberately places in his own mind, and encourages with sympathy, and with which he mixes any one or more of the emotions, constitute the motivating forces, which direct and control his every movement, act, and deed!" - Napoleon Hill*
- d) *"ALL THOUGHTS WHICH HAVE BEEN EMOTIONALIZED, (given feeling) AND MIXED WITH FAITH, begin immediately to translate themselves into their physical equivalent or counterpart." - Napoleon Hill*
