This is the first time Dr. John is sharing "Tree of Life Realities" in Southern California in its entirety. He has shared this teaching overseas and in other states in the USA. This is the next step in understanding beyond "The Genesis Factor Series" and his book "Melchizedek—Our Gracious Priesthood in Christ".

We recommend arriving a minimum of 15 minutes before start time each day, so we can start promptly. There will be little to no reviews of the previous day's teachings. This series is progressive and each session builds upon the previous concepts. *At the conclusion of the series a free will offering will be taken for Dr. John.* If you are coming in from out of town and would like some assistance with hotel info please email: drjohn@togetherasone.net or call: 626-357-6797.
